Seth-

I just wanted to thank you so much for giving me the unforgettable opportunity to travel to Cuba. It was truly the experience of a lifetime. Seeing your passion for theatre in Cuba inspired me. From Enemy, to Moby, and ending with Animal Crackers thank you for believing in me and pushing me farther than I ever thought I could go. Your dedication to theatre

is so admirable. You have made me not only a more confident performer, but I also feel like I have grown so much as a person. You will always be a mentor in my life. You make such a huge difference at VA - and I feel honored to have had you as a teacher and mentor. I look forward to working hard this semester and continuing to grow as an actor - for your guidance is something I'm so thankful for. Your student - Caroline Schmidt
